**Identification and quantification of preservative chemicals in common household products**

Author	Simon Belt, Guillaume Massé
Title	Parabens in household products
Classification	Laboratory Manuals - Chemistry
Keywords	ukoer, parabens, chemistry, analytical, GC
Description	Individual lab sheets - Tutor
Creative Commons Licence (url)	<a href="http://creativecommons.org/licenses/by-nc-sa/2.0/uk/">http://creativecommons.org/licenses/by-nc-sa/2.0/uk/</a>
Language	English
File size	120 kB
File format	pdf
